Youth in Technology Incubator is a new program that uses technology, arts and media to promote your stories, message, creativity and skills.

You'll see future camps featuring social media influencers, artists, filmmakers, and more!

Skill development will include artistic style, social media marketing, website design, storytelling, writing, and more.

Ultimately, YTI is all about giving you skills to develop your voice and be an advocate for yourself & your community.

We want to help you shape your ideas, tell your story and be community advocates.

Creating in Community Music Workshop

THURSDAYS 1-3 PM
7/08, 7/22, 8/05

tinyurl.com/ytimusicincommunity

NINA KASUYA

Nina Kasuya is a singer, educator, and voice over actor based in Los Angeles, California.

She has been a featured educator at Boston Sings A Cappella Festival, Milwaukapella, Los Angeles A Cappella Festival, and the SheSings/WeSing Vocal Festivals, teaching a range of classes including solo singing and performance workshops, group masterclasses, choreography and movement, and dialogue group titled "Diversity, Dancefloors and Decolonization."

GRAYSON VILLANUEVA

Grayson Villanueva is an award-winning videographer, audio engineer, and vocal arranger.

Grayson is best known for his video work with Acapop! KIDS, m-pact, Business Casual, Legacy, InToneNation, and Top Shelf Vocal, to name a few. With a decade of professional a cappella experience as both a performer and producer,

Grayson's superpower is the ability to make music and visuals with all the parts of being a musician and creative producer in mind.

Guitar Basics Workshops

Learn how to play chords and basic music theory. By the end of the workshop series, you will be able to play a song!

This workshop will be led by Elijah Seid-Valencia, guitarist and MACLA youth intern.

*The first 5 registrants are guaranteed to use one of TTC MACLA's guitars. Highly recommended if you have your own guitar.

In person

Wednesday & Friday

July 14 & July 16 3-4 PM

Intro to Garageband

Join us for a music filled July! Learn the ins and outs of digital audio workstation GarageBand, along with simple music theory & beat-making techniques.

Taught by artist, songwriter & producer Marcel Garçon.

In person

Wednesday & Friday

July 21 & July 23 3-4 PM

JULY MUSIC MONTH

Join Youth in Technology Incubator & Teen Tech Center at
MACLA for a music filled July

August Pride Month

DIY Pride Cupcakes

Join us in person and virtually to make pride themed cupcakes with Chef Carlos from the Kneaded Culinary Academy in Gilroy!

Wednesday
August 4th, 2 PM

Digital Zines

In person! Join the Teen Tech Center at MACLA in downtown San Jose to create digital zines celebrating pride month!

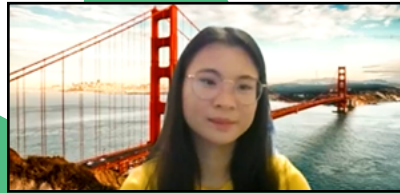

Wednesday + Friday
August 11 + 13, 5-6 PM

Future Programs & Workshops

To remain accessible to all Santa Clara County youth, YTI will facilitate a hybrid model, meaning we're offering both virtual and in-person workshops. On top of the exciting workshops we already offer, we'll be bringing in artists to teach web design, social media marketing, and commercial making!

YEAR IN REVIEW

STUDENT WORK

I am incredibly proud of everything Youth in Technology Incubator has achieved in its first year as a program and in a pandemic! My favorite moments from this year include our Halloween Costume Party, Open Mic Night, and the 2021 SLAM Youth Conference. The Halloween event and Open Mic were events that were meant to give youth a space to celebrate and connect with one another. It was a joy to see youth show off their Halloween costumes and dance to our DJ in a virtual environment.

The Open Mic was an event that had to be postponed due to lack of registration and I was nervous leading up to the event thinking, "Will people show up, will it be awkward?" It was a SUCCESS! We had youth in the virtual space who had never met one another, yet they encouraged and celebrated every person that performed. Other highlights come from students simply saying, "Thank you for hosting this, I enjoyed having a place to create every week." Hearing those words makes this work worthwhile!

— Alexandra (Program Specialist)

The Youth in Technology Incubator (YTI) is a program run by AACI.

Founded in 1973, AACI is one of the largest community-based organizations advocating for and serving the marginalized and vulnerable ethnic communities in Santa Clara County.

AACI's mission is to strengthen the hope and resilience of our community members by improving their health and well-being.

Health

AACI Health Center provides high quality care regardless of a patient's immigration status and insurance or ability to pay.

Our multilingual care team of doctors, nurses, and patient navigators provides comprehensive primary and preventive health care services.

SERVICES OFFERED Primary Care for All Ages, Insurance Enrollment, Preventive Care, Chronic Disease Management, Integrated Behavioral Health, Pediatric Services, Immunization Services, Women's Health

Behavioral Health

AACI Behavioral Health offers linguistically and culturally sensitive services that help clients overcome barriers to care.

Our trauma-informed, client-centered, community-based approach includes individual, groups, and family counseling for ages 6 and up at our clinics, in the home, at school, or in the community.

SERVICES OFFERED Counseling Services: Individual, family and group counseling, Case management and linkage to resources, Medication support services, Intensive Behavioral Health Services (IBHS), Intensive Care Coordination (ICC), Psychological Testing, Outreach and Education

Wellness

AACI believes in a holistic approach to overall wellness, which centers on prevention and treats the mind and body alike.

AACI provides a full continuum of wellness services including an emergency shelter for domestic violence (DV) & human trafficking survivors (HT), HIV education & testing, youth programs, DUI programs & senior wellness center.

SERVICES OFFERED Emergency DV & HT Shelter, Senior Activity & Nutrition, DUI Program, HIV Education & Testing, Youth Programs

Santa Clara County Behavioral Health Services

YTI is made possible with the help and funding of

The public behavioral health system's mission is to assist individuals in our community affected by mental illness and serious emotional disturbance achieve their hopes, dreams and quality of life goals. To accomplish this, services are delivered in the least restrictive, non-stigmatizing, most accessible environment within a coordinated system of community and self-care, respectful of a person's family and loved ones, language, culture, ethnicity, gender and sexual identity.
